

EDITORIAL: Skidders - AUNTY BULGARIA

15/1/2022

Skidders (aka Steve Skidmore) is back with a brand new single taken from the forthcoming studio album Friends & Family Vol. 2.

“Of all my rock instrumentals, I feel this is my finest composition and performance. I truly hope you will like the song as much as I have enjoyed creating it.”

Skidders’ forthcoming album contains further songs written and dedicated to his friends and family members. About this second single from the album, *Aunty Bulgaria*, he says:

“I wrote the song for a lovely friend of ours, Aneta. She is great fun, "Fun" being her middle name! As you might guess, she is Bulgarian and works for the NHS as a Paediatric Nurse Consultant. She also has her own practise helping infants with allergies.

Aneta loves the finer things in life - champagne, oysters and the like. We love meeting up with her, as we know we're always going to have a crazy good time. So there was no way I wasn't going to dedicate a song for her. And knowing she's a bit of a rocker, I thought this song would fit the bill. Like the rest of the NHS, she has our utmost respect and gratitude for the hard work carried out for society.”
